INTRODUCTION

This volume is one of a set of three in which September 1984 enrolment by school and grade is reported within board, within county, district, regional or district municipality, and within education region. There is one volume for public schools; one for Roman Catholic separate schools; and one for publicly supported secondary schools.

In this publication, enrolment is reported within the county or district in which a school is situated. A list of the boards that straddle county and/or region boundaries is given below. To obtain a board total, it is necessary to combine the entries for each municipality in which the board is located.

Le présent document fait partie d'une série de trois volumes dans lesquels l'effectif scolaire de septembre 1984 par école et par année d'études est publié par conseil scolaire, comté, district, municipalité régionale ou le district, et région. Un volume est consacré aux écoles publique, un autre aux écoles séparées catholique et un dernier, finalement, aux écoles secondaires financées par les fonds publics.

L'effectif est présenté dans le document par comté ou district où se situe une école. Une liste des conseils scolaires qui chevauchent les limites de comtés ou le régions est donnée ci-dessous. Pour calculer l'effectif total d'un conseil scolaire, il suffit de combiner l'effectif de chaque municipalité où le conseil a des écoles.
